ABOUT ME

I'm a B.Tech Computer Science student at SRM University, passionate about learning and advancing in technology. I am eager to apply my skills, gain new knowledge, and contribute to meaningful projects with a positive attitude and strong motivation.

EDUCATION

- **B.Tech in Computer Science (7.7 CGPA)**, SRM University AP *Oct 2022 - Present*
- **Intermediate (89.5%)**, Sri Gayatri College *Jun 2020 - Mar 2022*
- **SCC Board (100%)**, Narayana *Jun 2019 - Mar 2020*

SKILLS

Programming Languages/Frameworks: C, C++, Python, HTML, CSS, JavaScript, SQL, ReactJS

Developer Tools: GitHub, Google Colab, VS Code, Anaconda, Jupyter Notebook

Academic Coursework: Data Structures, Operating Systems, Computer Networks, Computer Organization and Architecture, Automata and Compiler Design

Office Tools: Microsoft Word, Microsoft PowerPoint, Microsoft Excel, AI tools

EXPERIENCE

Internship: Edunet Foundation (08 weeks)

Domain: Artificial Intelligence and Machine Learning (AI/ML)

Project: Employee Burnout Prediction Analysis

- Applied data preprocessing, linear regression, and one-hot encoding techniques to analyze employee burnout based on various parameters such as employee ID, date of joining, company type, work-from-home setup, mental fatigue score, etc.

- Gained hands-on experience in AI/ML algorithms, data analytics, and project management.

PROJECTS

Group Chat Server: Built a real-time group chat server using Python and socket programming for multiple users to communicate in private and group chats. [Project Link](#)

Diabetic Prediction: Developed a machine learning model using Random Forest to predict diabetes based on health parameters. [Project Link](#)

Interactive Websites: Built several interactive websites including a portfolio website, a note-taking app, and an e-commerce website. [Project Links](#)

CERTIFICATES

- **The Joy of Computing Using Python:** NPTEL (72%)
- **Data Analytics with Python:** NPTEL (75%)
- **Essential Canva for Graphics Design:** Udemy
- **Robotrix Workshop:** Internship cum Workshop at SRM University AP
- **PowerPoint with AI Workshop:** Skill Nation
- **ChatGPT AI Hacks with MS Office Workshop:** Skill Nation
